Dear Judge Forrest:

In light of Your Honor's Order, Defendants do not wish to withdraw any part of their Local Rule 56.1 Statement. However, I request the opportunity to file new responses to those portions of Plaintiff's Local Rule 56.1 Statement which Defendants had denied because the underlying exhibit was objected to on authenticity grounds. As matters stand now, those portions would be deemed admitted because Defendants' basis for their denials is no longer operative. Accordingly, I ask for leave to file an amended response to Plaintiff's Local Rule 56.1 Statement by Friday.

Respectfully,

Judd Burstein
